

# all about INTEGRITY

Quarterly Summer Edition  
June 1, 2022

Welcome to the inaugural edition of the Integrity Bank Plus Newsletter *All About Integrity*.

We will be publishing this newsletter occasionally with tips on better banking, highlights of products and services, topical items and occasionally a little bit of fun. We hope you will find it informative and useful.

My handy Webster Dictionary defines integrity as an adherence to a code of moral values; fidelity to moral principles; honesty. Twenty some years ago we chose that as our name and as our guiding light. A light to always be there. A light to always give us direction. Doing what's right. It's how we want to live our lives. It's how we want to treat each other. It's how we want to treat you. Always with respect and integrity.

I, along with our Board of Directors, are very proud of our team of skilled, young professionals that are here to help you with your financial needs. The banking world is constantly changing and we are changing with it, bringing you new products and services designed to help you achieve your financial goals.

Thank you for banking with Integrity Bank Plus. We're here to help.

*sincerely,*  
**CHARLES J. ROBASSE**  
President
