

Mobile Banking:

- 1 Signup for Online Banking at www.integritybank.com
(If you haven't done so already).
- 2 Search & download our Integrity Bank Plus App at the Apple app store or Google play store.
- 3 Enter your user ID (username), answer your challenge question, select your image, and enter your password that you selected for your online banking account.
- 4 Begin using your mobile banking to check balances and transfer funds.

Additional information:

- 1 Snap Balance– This feature allows you to see your balances of your accounts with just the tip of your finger. To set up this feature: Log-in to the app, select the icon bar at the bottom of the screen, then select settings. Once in settings, turn on the snap balance feature. When you are logged out of the app there will be a \$ icon on the screen, hold down with your figure and your balances will appear(All account numbers will be masked).
- 2 Selecting your login process– You are able to choose how to login to the app. Select the icon bar at the bottom of the screen, then select settings. Once in settings, under the login screen section, you can choose to login with: Full (user ID & password), password, pin, swipe. (Note: Anytime you change your username or password on online banking, you will need to complete a full login on the mobile app.)
